"Class A employee" means a male or female employee whose working-week consists of 39 hours or more:

"Class B employee" means a male or female employee whose working-week consists of less than 39 hours.

2. That this Order shall apply to every employer and to every male and female employee in the occupation of hairdressing, except employees covered by another Order of the Board specifically defining their work. Application of Order.

3. That the minimum wage for employees to whom this Order applies shall be as provided in clauses (a), (b), and (c) of this section and sections 4, 5, and 7 (b) of this Order:— Minimum wage.

(a) Class A employees, \$25 per week:

5. An employee reporting for work on the call of the employer: The employee's regular rate of pay for the entire period spent at the place of work in response to the call, with a minimum of 2 hours' pay at the employee's regular rate if the employee does not commence work and 4 hours' pay at the employee's regular rate if the employee commences work, unless by written permission the Board varies this provision with respect to the daily guarantee. (b) Where the Board is satisfied that extra working-hours are necessary to overcome emergent conditions that may arise from time to time and that such extra working-hours are not inimical to the interests of the employee, it may, by written authorization, permit the working-hours to exceed the limits prescribed in section 6 of this Order. The minimum wage payable for hours worked pursuant to such written authorization shall be time and one-half the employee's regular rate of pay.
